You're gone for the holidays though you're back next
year

I just don't like being without you
I'm canceling Christmas this year

I'm not buying a Christmas tree
I won't be spreading some cheer
I won't be hanging up twinkling lights
I'm canceling Christmas this year

Let it snow if it wants to
I'm staying in now to hide
And I sealed up my fireplace so Santa can't come
inside

I'm not drinking no egg nog
There'll be no midnight clear
I won't be singing any carols
I'm canceling Christmas this year

I'm not giving presents and I'm not sending cards
I wanna sleep through the season
Without you it's just too hard

Until you're back in my arms again
Until I'm holding you near there seems no reason to
celebrate
I'm canceling Christmas this year

There seems no reason to celebrate
I'm canceling Christmas this year
