Do you have any idea who I am
And while I smoke this cigarette my head is hidden in
my hands
Do you have any idea who you are too

Did I not make myself clear
I pushed you away
And though I try to write my life on this page you are
still here
Perhaps I never understood your initial intentions

I'm so
I'm so sorry
Did I catch you on a bad day

And I'm so
I'm so sorry
There is something I must say
"Hello"
"I need you"

Did I speak out of turn
Somehow upset you
Did I not show my concern with how you felt
That I moved on without you
Did you believe that I'd forget the things that
sometimes made me smile

I'm so
I'm so sorry
Did I catch you on a bad day

And I'm so
I'm so sorry
There is something I must say
"Hello"
"I need you"

"Hello"
"I need you"

You know I'm trying to take a step into my future
And though I want to hold your hand and make you
mine again
You have to keep your distance from me
Do you have any idea how much this hurts
