Hey you,  
Will you stay here tonight?  
And I'll try to keep it nice  
Yeah, I'll make it good,  
I'll do all the things I shouldn't

Hey you,  
Will you stay until I wake,  
Even though I'm not yours to take?  
And I won't do anything to you  
That'll make you hate yourself

Cuz I know this is a moment of weakness,  
A favorite memory we always run to  
And it makes no sense,  
Think of the consequence  
Maybe you should go

Hey you  
Hey you

Hey you,  
Will you hold me in your arms?  
We don't have to take this far  
Yeah, I know the line,  
Darling, We've got time  
So please don't leave me now

Cuz I know this is a moment of weakness,  
A favorite memory we always run to  
And it makes no sense,  
Think of the consequence  
Maybe you should go

Hey you  
Hey you

Hey you,  
Why don't you pour yourself for one more drink?  
Maybe you'll be the weaker link in a love affair,  
But then, who cares who instigated this?
