What did you think I'd do
Just sit here waiting and pine for you
What did you think I'd say when you were the one who
just walked away

Oh
Don't look so surprised that I've washed you out with
the tears I've cried
Oh
I will make it clear that this is my life and you've no
place here

And I
I guess you didn't know

The look in my eyes
Look in my eyes
There is a tower of strength deep inside
Look in my eyes
I'm still alive and I'll be strong for the rest of my life

I guess you were wrong when you told me I couldn't
move on
Yeah
Who do you think you are
Telling me that I wouldn't go that far

And I
I guess you didn't know

The look in my eyes
Look in my eyes
There is a tower of strength deep inside
Look in my eyes
I'm still alive and I'll be strong for the rest of my life

Standing at my door
I'm not really sure what it is that you think you came
here for
You should really know just before you go that I just
don't need you anymore

The look in my eyes
Look in my eyes
There is a tower of strength deep inside
Look in my eyes
I'm still alive and I'll be strong for the rest of my life

Look in my eyes
Look in my eyes
There is a tower of strength deep inside
Look in my eyes
I'm still alive and I'll be strong for the rest of my life
