You wrote this tragedy  
And starred in every scene  
You must have seen the end  
And I have lost a friend all too  
What should you do  
I offered up my hand  
But you just turned your back  
You're given what you get  
When there's no mercy left

I'll pray for you  
I'll pray for you

The devil is at your back  
And there's no shaking that  
You're just a broken soul  
Who threw those sticks and stones at you

And I'll pray for you  
So I'll pray for you

I'm not your Novocain  
To take away the pain  
Cause I know what you done  
And I'm not the only one  
I'm no Samaritan  
I've seen my sheriff sin  
You dug this hole  
You dug it deep  
Oh what a lousy place to be

Cause I'll pray for you  
And I'll pray for you  
And I'll pray for you  
And I'll pray for you  
And I'll pray for you  
I'll pray for you
