I'm glad we divided this town so we won't see
each other around
From the Hollywood sign way down to the beach
You get the west and I'll take the east

I tried to stay in Miracle Mile after you left
At least for a while
Now I think it was all a mistake so I'm moving back to
Silverlake

I know that it's not that far
I've missed the air and the reservoir
And right now it's time for a change
I'm leaving today and I'm gonna stay in Silverlake

I guess I've lived all over this town
I felt so lost and never felt found
I'm comfortable living somewhere in between
At least here I can finally breathe

I know that it's not that far
I've missed the air and the reservoir
And I know it's time for a change
I'm leaving today and I bet I'll stay in Silverlake
In Silverlake
In Silverlake

And now I'm here I won't ever look back
Wonder how you'll feel about that
Now I think it was all part of fate so I'm moving back to
Silverlake
