Sunday - Michelle

It's 2 O'Clock
I can't stand thinking of you
Mondays gone, Tuesdays long
but i'll make it through

Wednesday's fine
but it's a crime
it's not the end of the week
Now Thursday, what can I say
It's not the day I need

I'm waiting for Sunday
I'm waiting for Sunday
I'm waiting for Sunday
cause thats the day
that i'm with you

Fridays blue, so whats the use
Not much to do, I complain on Saturday
I'm still missing you

but i'm waiting for Sunday
I'm waiting for Sunday
I'm waiting for Sunday
cause thats the day
that i'm with you

I'm waiting for Sunday (x16)
Cause thats the day, that i'm with you...
