We Are Man And Wife

All the things you are to me
Darling you have set me free
I'll always give you what you need
and what you deserve
All the joy and all this love
I know that it is from above
and now together there is enough
to fill this world
Cause you are the love of my life
you are the love of my life
and now we are man and wife
Of all the things that you will do
Yet now I'm standing next to you
Darling I will see you through
the rest of our lives
With you beside me I am one
I'm glad I've waited for so long
there is no doubt that
you are the one for me
Cause you are the love of my life
you are the love of my life
There'll be times
and there'll be things
but everything
is going to be fine
now your in my life
So I give you my heart and soul
It's yours to take where ever you go
and through the years you'll always know
it's yours to keep
God has blessed this sacred vow
and angels high above look down
they see the two of us have found
the perfect love
Cause you are the love of my life
Yeah you are the love of my life
and now we are man and wife
