Your ex is back in town  
Whatcha gonna do when he comes around  
And he starts going through his head  
And he begs you to take him back  
Will your love for me remain intact  
Or will you run to him

Baby, my love is on the line  
Baby don't change your mind, don'tcha change it  
Be strong, girl leave the past behind  
Baby don't change your mind, don'tcha change it  
Don'tcha change it

You say your love is true  
Whatcha gonna say when he looks at you  
Will the second thought in your head  
Make you take back the things you said  
Will you give in and ... what's left  
Or will you stay with me

Baby, my love is on the line  
Baby don't change your mind, don'tcha change it  
Be strong, girl leave the past behind  
Baby don't change your mind, don'tcha change it  
Don'tcha change it

I will exit and take my bow  
But I don't wanna lose you now  
So I'm praying some way, somehow  
Baby you'll stay with me

Baby, my love is on the line  
Baby don't change your mind, don'tcha change it  
Be strong, girl leave the past behind  
Baby don't change your mind, don'tcha change it

Baby, my love is genuine  
Baby don't change your mind, don'tcha change it  
You know he's not the staying kind  
Baby don't change your mind, don'tcha change it  
Baby, my love is on the line  
Baby don't change your mind, don'tcha change it

Be strong, girl leave the past behind  
Baby don't change your mind, don'tcha change it
