Since I met you Iâ€™ve begun to feel so strange
Every time I speak your name
You say that you are so helpless too
That you donâ€™t know what to do

Each night I pray that thereâ€™ll never come a day
When you up and take your love away
Say you feel the same way too
And I wonder what it is I feel for you

Could it be Iâ€™m falling in love with you baby
Could it be Iâ€™m falling in love
Could it be Iâ€™m falling in love with you, with you, with
you

I donâ€™t need all those things that used to bring me joy
You made me such a happy boy
And honey, youâ€™ll always be the only one for me
Meeting you was my destiny

You can be sure I will never let you down
When you need me Iâ€™ll be around
And darling, youâ€™ll always be the only one for me
Heaven made you specially

Could it be Iâ€™m falling in love with you baby
Could it be Iâ€™m falling in love
Could it be Iâ€™m falling in love with you, with you, with
you

And darling youâ€™ll always be the only one for me
Heaven made you specially

Could it be Iâ€™m falling in love with you baby
Could it be Iâ€™m falling in love, I wanna know now baby
Could it be Iâ€™m falling in love with you, with you, with
you

Could it be Iâ€™m falling in love with you baby
Could it be Iâ€™m falling in love
Could it be Iâ€™m falling in love
Could it be Iâ€™m falling in love

Could it be Iâ'm falling in love
