One month ago today, I was happy as a lark
But now I go for walks, to the movies, maybe to the
park
I have a seat on the same old bench to watch the
children play
You know tomorrow is their future, but for me it's just
another day

They all gather round me, they seem to know my name
We laugh, tell a few jokes, but it still doesn't ease my
pain
I know I can't hide from a memory, though day after
day I've tried
I keep saying she'll be back, but today again I've
lied

Oh I see her face everywhere I go
On the street and even at the picture show
Have you seen her, tell me have you seen her
Oh I hear her voice as the cold winds blow
In the sweet music on my radio
Have you see her, tell me have you seen her

Why oh why did she have to leave and go away
Oh I've been used to having someone to lean on
And I'm lost, baby I'm lost

Have you seen her, tell me have you seen her
Have you seen her, tell me have you seen her

Oh she left her kiss upon my lips
But left that break within my heart
Have you seen her, tell me have you seen her
Oh I see her hand reaching out to me
Only she can set me free
Have you seen her, tell me have you seen her

Why oh why did she have to leave and go away, oh
yeah
Oh I've been used to having someone to lean on
And I'm lost, baby I'm lost

Have you seen her, tell me have you seen her

As another day comes to an end Iâ'm looking for a
letter or something
Anything that she would send
With all the people I know Iâ'm still a lonely man
You know, itâ's funny, I thought I had her in the palm of
my hand

Have you seen her, tell me have you seen her
Have you seen her, tell me have you seen her
Have you seen her, tell me have you seen her
Have you seen her, tell me have you seen her
Have you seen her, tell me have you seen her
