Hey there lonely girl, lonely girl  
Let me mend your broken heart like new  
Hey there lonely girl, lonely girl  
Don't you know this lonely boy loves you

Ever since he broke your heart  
You seem so lost each time you pass my way  
Oh how I long to take your hand  
And say don't cry, I'll kiss your tears away

Hey lonely girl, my lonely girl  
Let me mend your broken heart like new  
Hey there lonely girl, lonely girl  
Don't you know this lonely boy loves you

You think that only his two lips  
Can kiss your lips and make your heart stand still  
But once you're in my arms you'll see  
No-one can kiss your lips the way I will, the way I will

Hey there lonely girl, lonely girl  
Let me mend your broken heart like new  
Hey there lonely girl, lonely girl  
Don't you know this lonely boy loves you  
Don't you know this lonely boy loves you  
You  
Hey there lonely, lonely, lonely, lonely girl  
Can't you see
