Iâ'd rather be hurt by you  
Rather be hurt by you  
Than to be loved by somebody else

Iâ'd rather spend hours lonely and blue  
Than one single moment with somebody new  
My friends say that some day Iâ'll love again  
And maybe some day I will, still

Iâ'd rather be hurt by you  
Rather be hurt by you  
Even be left alone by myself  
Than be loved by somebody else

My friends say that some day Iâ'll love again  
And maybe some day I will, still

Iâ'd rather be hurt by you  
Rather be hurt by you  
Even be left alone by myself  
Than be loved by somebody else  
Rather be hurt by you, baby  
Iâ'd rather, rather, rather, rather be
