All of my lonely life I've dreamed of you
(Dreamed of you)
You're like a fairy tale, a wish come true

So many times I try to let you know
I'm glad you're mine
But you are so afraid, someday I'm gone
Use yor head

If I love
(Can't you see I'm in love with you?)
Why would I leave you?
(Can't you see I'm in love with you?)

If I love
(Can't you see I'm in love with you?)
Why would I leave you?
(Can't you see I'm in love with you?)

Maybe I failed to make you understand
(Understand)
How much you mean to me
You're part of every plan

In every way you helped me through
The problems of each day
Why can't I make you see
That you're my life, you're part of me?

'Cause I love you
(Can't you see I'm in love with you?)
Why would I leave you?
(Can't you see I'm in love with you?)

If I love
(Can't you see I'm in love with you?)
Why would I leave you?
(Can't you see I'm in love with you?)

So many times I try to let you know
I'm glad you're mine

Why can't I make you see
That you're my life, you're part of me?

'Cause I love you
(Can't you see I'm in love with you?)
Why would I leave you?
(Can't you see I'm in love with you?)

If I love
(Can't you see I'm in love with you?)
Why would I leave you?
(Can't you see I'm in love with you?)

If I love
(Can't you see I'm in love with you?)
Why would I leave you?
(Can't you see I'm in love with you?)
