If you don't know me by now  
You will never, never, never know me, ooh

All the things that we've been through  
You should understand me  
Like I understand you  
Now baby, I know the difference  
Between right and wrong  
I ain't gonna do nothing  
To upset our happy home

Oh, don't get so excited  
When I come home a little late at night  
Cos we only act like children  
When we argue, fuss and fight, hey

If you don't know me by now  
You will never, never, never know me, ooh  
If you don't know me by now  
You will never, never, never know me, ooh

We all got our own funny moods  
I've got mine, women you got yours too  
Just trust in me like I trust in you  
As we've been together  
That should be so easy to do

Just get yourself together  
Or we might as well say goodbye  
What good is a love affair  
When we can't see eye to eye, oh

If you don't know me by now  
You will never, never, never know me, ooh  
If you don't know me by now  
You will never, never, never know me, ooh  
If you don't know me by now  
You will never, never, never know me, ooh  
If you don't know me by now  
You will never, never, never know me, ooh
