By mistake I heard  
Some news about you  
I just turned my head  
And closed my ears  
It hurts so bad  
First I tried to look  
I paused a moment  
Just to catch my breath  
Until I saw how big a fool I was  
To love you so  
The way [Incomprehensible]  
I had no where to go  
Remember when I told you  
Not long ago  
If you wanted somebody new  
To make me know  
One day you know  
Just how it feels  
Pay back is a dog  
Dog, it's a dog  
Pay back is a dog  
Dog, it's a dog  
Pay back is a dog  
Dog, it's a dog  
Pay back is a dog  
It seems like only yesterday  
We chased a rainbow  
Now our pot of gold  
Has turned to worthless, useless simple tune  
It was just a dream  
And I just woke up  
I don't have anything  
Now you seem to act so strange  
I told you so  
Only got yourself to blame  
Wanna let you know  
One day you'll see  
Just how it feels  
Pay back is a dog  
Dog, it's a dog  
Pay back is a dog

Dog, it's a dog  
Pay back is a dog  
Dog, it's a dog  
Pay back is a dog  
Dog, it's a dog  
Pay back is a dog  
Dog, it's a dog  
Pay back is a dog  
Dog, it's a dog
