Life seems to turn our
poor heads all around

We've both seen all our
hopes and dreams
fall up side down

We've had our share
of build you ups
and put me downs

and watched the world
from tearful eyes
go underground
but it's just
you and me

we're king and queen
always runnin' full steam
for the same old dream

always reaching for the sky
with a useful scheme
baby you and me

Someday we'll find out
just what love's about
and that's when we'll
find happiness,
with out the doubts

till then we'll take their blows
and listen to their shouts

together we can conquer all
cause' we found out

that it's just
you and me

we're two of a kind
same frame of mind

you and me

two acorns
descended right
from the same oak tree

baby you and me

baby you and me
Woh, ohh, you and me
(you and me)

(you and me)
you and me

we're two of a kind
same frame of mind
you and me
two acorns
descended right
from the same oak tree
baby you and me
baby you and me
Oh, ohh, you and me
we're two of a kind
same frame of mind
you and me
two acorns
descended right
from the same oak tree

baby you and me
baby you and me
