My love, Iâ€™ll never find the words, my love
To tell you how I feel, my love
Mere words could not explain
Precious love, you held my life within your hands
Created everything I am
Taught me how to live again

Only you care when I needed a friend
Believed in me through thick and thin
This song is for you
Built with gratitude and love

God bless you
You make me feel brand new
For god blessed me with you
You make me feel brand new
I sing this song for you
Make me feel brand new

My love, whenever I was insecure
Youâ€™d build me up and made me sure
You gave my pride back to me
Precious love, with you I always have a friend
Youâ€™re someone who I can depend
To walk a path that sometimes bends

Without you life has no meaning or rhyme
Like notes to a song out of time
How can I repay
You for having faith in me

God bless you
You make me feel brand new
For god blessed me with you
You make me feel brand new
I sing this song for you
