Why?

Tell me why?

Tell, tell me why?

Why?

Do you love another?

Please don't waste your time...

We could have together

A lot of funny nights...

How can I be your lover

If you leave me now?

Just the put is over

Why play so foul?

All the love I share with you

Is too priceless to loose

For your loving I will die

Don't make me pray!

Tell me why?

Reality...

It's hot like a burning desire?

Just fantasy...

Only you can make me cry

Do you wanna love tonight?

Only you can change my heart

Feeling like a paradise...

Tell me whatcha gonna do?

Lady of the night...

If you want your body move?

Get into this time...

You are getting stronger

Not a simple love...

Just you make me wonder

You can't replace my soul...

All the love I share with you

Is too priceless to loose

For your loving I will die

Don't make me pray!

Tell me why?

Reality...

It's hot like a burning desire?

Just fantasy...

Only you can make me cry

Do you wanna love tonight?

Only you can change my heart

Feeling like a paradise...

Tell me why?

Reality...

It's hot like a burning desire?

Just fantasy...

Only you can make me cry

Do you wanna love tonight?

Only you can change my heart

Feeling like a paradise...
