Is it just me?
Or am I alone as I feel?
Stare back at me
Ive never felt so invisible

Just keep, lookin in my direction
I dont wanna see, anyone forgettin me
Maybe if I bleed, you could realise
I was tryin to say somethin.....

Keep, lookin in my direction
I dont wanna see, anyone forgettin me
Maybe if I bleed,...yeah...

Its just a lie
Nothin but dead people walkin
Nothin is mine
I close my eyes and step out of line
Right now I cant stand, to wait here anymore
Theres no reason, for any of it to go on
I cant...remember, ever thinkin Id go this far
When you think of me
Remember who you are

Just keep, lookin in my direction
I dont wanna see, anyone forgettin me
Maybe if I bleed, you could realise
I was tryin to say somethin.....

Keep, lookin in my direction
I dont wanna see, anyone forgettin me
Maybe if I bleed,...yeah...

Its gettin late, Im tired of hearing these words again
I close my eyes, and leave it all behind

Just keep, lookin in my direction
I dont wanna see, anyone forgettin me
Maybe if I bleed, you could realise
I was tryin to say somethin.....

Keep, lookin in my direction
I dont wanna see, anyone forgettin me
Maybe if I bleed,yeah...maybe if I bleed...
