Let's go  
Ooh, oh yea, ooh

I don't know where I found you  
I don't know where you been  
All I know you got me  
In the shape I'm in

You're the message in the bottle  
You're the deluxe model  
I haven't been so affected  
Since I don't know when

(Yea)  
Yea  
(Whoa yea)  
Whoa yea  
You're the best new face  
In the human race  
I said  
Yea, whoa yea  
You're the best new face  
In the human race

You look so real  
When you ask me to feel  
Yea, you're so damn convincing  
Digging in your heels

If your persuasion attack  
Leaves me flat on my back  
You can ride me off to ruin  
While the whole world cracks

Said  
(Hey)  
Yea  
(Whoa yea)  
Whoa yea  
You're the best new face  
In the human race  
I said

(Yea)  
Whoa yea  
You're the best new face  
In the human race

Speak of the devil  
(Ooh, ooh)  
And look who appears  
He's crankin' up the level  
(Ooh, ooh)  
In between your ears  
But he's so frustrated  
(Aaa, aaa)  
'Cause he can't get a rise  
Out of someone who's reflecting  
(Aaa, aaa)  
Heaven in their eyes  
(I see heaven in your eyes)  
You look so good  
Wow, oh  
Oh, yea  
Have a, have a good

Hey, hey  
Yea  
(Whoa yea)  
Whoa yea  
(You're the best new face in the human race)  
I said  
Yea  
Whoa yea  
You're the best new face  
In the human race  
Said  
(Hey)  
Hey  
(Whoa yea)  
Yea, whoa yea, hey, hey  
(You're the best new face in the human race)  
(Yea, whoa yea)  
Yea, oh yea  
(You're the best new face in the human race)  
Best new face  
Oh  
(Ohh)  
Wow  
(Ohh)  
Yea  
(Hey)  
Yea  
(Hey)

Yea  
(Hey)  
Yea  
(Hey)  
Oh yea  
Gonna get this
