I used to like to walk the straight and narrow line  
I used to think that everything was fine  
Sometimes I'd sit and gaze for days  
Through sleepless dreams  
All alone and trapped in time  
All alone and trapped in time

I wonder what tomorrow has in mind for me  
Or am I even in it's mind at all  
Perhaps, I'll get a chance  
To look ahead and see  
Soon as I find myself a crystal ball  
Soon as I find myself a crystal ball

But tell me, tell me where I'm going  
I don't know where I've been  
Tell me, tell me, won't you tell me  
And then tell me again  
My heart is breaking, my body's aching  
And I don't know where to go  
So tell me, tell me, won't you tell me  
I've just got to know

Crystal ball  
There's so many things I need to know  
Crystal ball  
There's so many things I've got to know  
Crystal ball  
Won't you tell me please before I go  
Crystal ball

Tell me, tell me where I'm going  
I don't know where I've been  
Tell me, tell me, won't you tell me  
And then tell me again  
My heart is breaking, my body's aching  
And I don't know where to go  
So tell me, tell me, won't you tell me  
I've just got to know

Crystal ball  
There's so many things I need to know

Crystal ball  
There's so many things I've got to know  
Crystal ball  
Won't you tell me please before I go  
Crystal ball
