I don't want to hear about it anymore
It's a shame I've got to live without you anymore
There's a fire in my heart
A pounding in my brain's driving me crazy

We don't need to talk about it anymore
Yesterday's just a memory, can we close the door?
I just made one mistake
I didn't know what to say when you called me, baby

Don't say goodbye
Say your gonna stay forever
Whoa, all the way

Can you take me high enough
To fly me over, yesterday?
Can you take me high enough?
It's never over, whoa whoa whoa

Can you take me high enough?
Won't you fly me over yesterday?
Can you take me high enough?
It's never over, whoa whoa whoa
