Somebody lookin' for the answer
Somebody dyin' to cut a deal
Somebody got a cure to cancer
Somebody drunk behind the wheel
But me, I'm just tryin' to find my little Suzie

Somebody bustin' illegal aliens
Somebody burnin' Hollywood
Somebody tryin' to shoot the President
Someone abused and misunderstood
But, me, I'm just holdin' up a sign for little Suzie

Somebody reachin' out for Jesus
Somebody lookin' for a sign
Somebody said, "They spotted Elvis"
He was healin' the sick and leadin' the blind
But me, I'm just tryin' to make some time for my little
Suzie
Yeah me, I'm sneakin' up behind, don't you hear me
say

"I won't surrender, I will survive, so help me Jesus
We'll be together until' the end of all space and time"

Everybody's got an infomercial
Everybody's psychic on the phone
Somebody got a sex change reversal
Somebody thinks nobody knows
Somebody cryin' out for justice

Somebody shootin' someone's kid
Somebody caught the perpetrator
Somebody swears they never did
But me, I'm just makin' time for my little Suzie
Yeah me, I'm playin' my guitar for my little Suzie

The world is gonna turn from here until' doomsday
But I don't give a damn long as I've got little Suzie

I won't surrender, I will survive, so help me Jesus
We'll be together until' the end of all space and time

Somebody's awaitin' execution
Somebody's dyin' to pull the switch
Somebody cries another martyr
Somebody screams, "Fry the son of a bitch"
But me, I'm just spendin' time with little Suzie
Yeah me, I'm playin' my guitar for little Suzie
Oh me, I'm safe in the arms of little Suzie

Yeah oh
Oh it's gonna change
Bad girl, bad girl
Little Suzie
A little Suzie
