When I think of Lorelei my head turns all around
As gentle as a butterfly she moves without a sound
I call her on the telephone, she says, "Be there by
eight"
Tonight's the night she's moving in and I can hardly
wait

The way she moves
I gotta say, "Lorelei let's live together
Brighter than the stars forever
Lorelei let's live together
Brighter than the stars forever"
Oh, baby forever

Her eyes become of Paradise, she softly speaks my
name
She brightens every lonely night, no one's quite the
same
She calls me on the telephone, she says be there by
eight
Tonight's the night she's moving in, it's time to
celebrate

The way she moves
I gotta say, "Lorelei let's live together
Brighter than the stars forever
Lorelei let's live together
Brighter than the stars forever"
Baby, baby forever

Lorelei let's live together
Brighter than the stars forever
Lorelei let's live together
Brighter than the stars forever

Lorelei let's live together
Brighter than the stars forever
Lorelei let's live together
Brighter than the stars forever

Lorelei let's live together
