Day into night she's with me  
How sweet is her warm embrace  
Safe in the scent of jasmine  
So safe in her gold and lace

Mornings I find, she's left me  
So cold, so alone but aware  
I try to escape, she finds me  
Oh run though I may, she's there  
There, there, there, there

Luck is a lady whose smile  
Is as cold as a stone  
She'll bring you things  
Many things you might never have known

But when your die is cast  
She'll have the final laugh at you  
She'll lock you in a duel  
Where you come out the fool

Beware of the Queen of Spades  
Her black widow's curse might find you yet  
Beware of a love that you will regret  
Her love means only your death

Day into night she's with me  
Turn of a card, she's there  
The first time is free, you know  
But from now on, pay me  
Me, me, me, me

Beware of the Queen of Spades  
Her black widow's curse might find you yet  
Beware of a love that you will regret  
Her love means only your death

Beware of the Queen of Spades  
Her black widow's curse might find you yet  
Beware of a love that you will regret  
Her love means only your death
