Written by james young, john curulewski
Lead vocals by james young

Well I've got this crazy feeling
It's a sickness in my soul
Well I can't play no 9 to 5 games
Hangin' loose is all I know

I get a buzz when I think about ya
Riding high's where I belong
Gonna get my things together
So if you want come on along

It's a good feeling
It's a rock and roll feeling
It's a good feeling
It's a rock and roll feeling
Yeah yeah yeah

Well you know that I am coming
And I'm already on my way
So baby don't you worry 'bout tomorrow
You know it seems like a month away

Well we got here just this morning
And we're goin' at the light of dawn
Well we've only got a short time

So mama won't you keep things going strong

It's a good feeling
It's a rock and roll feeling
It's a good feeling
It's a rock and roll feeling
Yeah yeah yeah
Yeah yeah yeah

[guitar solo]

It's a good feeling (good feeling)
It's a rock and roll feeling
It's a good feeling (good feeling)

It's a rock and roll feeling

It's a good feeling (good feeling)

It's a rock and roll feeling

It's a good feeling (good feeling)

It's a rock and roll feeling

It's a good feeling (it's a good good feeling)

It's a rock and roll feeling

It's a good feeling....
