Sing for the day
Sing for the moment
Sing for the time of your life
Come for an hour
Stay for a moment
Stay for the rest of your life

Hannah you're with me in spirit wherever I go
To the ends of the earth and all points between high
and low
Each night by the stage you appear as you are
The ever intangible child, ageless and timeless as
Dorian Grey
Oh Hannah I know that it's you and you're leading me
on

Hannah you're my inspiration, my fountain of youth
And as your surrogate leader I'm bound in your search
for the truth
And yes how the truth rushes out, when it's become
honestly clear
I see your anxious and curious eyes
But Hannah I need you as much as you think you need
me
Come to your window tonight and we'll fly to your
dreams
And we'll

Sing for the day
Sing for the moment
Sing for the time of your life
Come for an hour
Stay for a moment
Stay for the rest of your life

Sing for the day
Sing for the moment
Sing for the time of your life
Come for an hour
Stay for a moment
Stay for the rest of your life

Hannah don't fail me I need you like never before
Father time's at my back, on my heels, behind every
door
He says "Son when the youth has but gone from your
face
Will she let you grow older with grace?
Will she give you up for one younger than you?"
Oh Hannah please tell me the things that he says aren't
true
Hannah I'm honestly hoping you'll always be there
And we'll

Sing for the day
Sing for the moment
Sing for the time of your life
Come for an hour
Stay for a moment
Stay for the rest of your life

Sing for the day
Sing for the moment
Sing for the time of your life
Come for an hour
Stay for a moment
Stay for the rest of your life
