Walking down the street while people have a seat I'm turnin' out the sadness into a madness I don't wanna live for something to give Cause there's another moment to take some movement

I can sell you down the river It just gonna give a nod to some other fever Can't hold a candle to illusion Nobody stop tryin' to turn off the light

Little bit of music ooo Make you chillin' right now, kinda busy right now Take another vision ooo I believe it right now, move it move it by now
