Can you imagine being free?  
Lost in something you wanna be  
Fly away so high  
And run away from the unseen  
Your eyes too heavy to be clear  
Don't want to leave  
You will never down for something real  
Time may be free but  
Ain't gonna make you stop to think

Oh I just want you do something insane with me  
Let's come together, it's now or never  
So we can stop the world and runnin' all for this  
Kind of sleepless that we're gonna spend to live

No one can hold you back to leave  
Or something came out from your mind  
There's no turning back  
Let's runaway from the unseen  
Your eyes too heavy to be clear  
Don't want to leave  
You will never down for something real  
Time may be free but  
You're gonna pay for what it takes
