It's been too hard  
I feel so close to you  
But we're so far apart  
Now I spend my time  
All alone, wondering when  
You'll find your way home

Someday I know you'll come back  
And I hope you'll stay right  
Here in my arms  
Baby we'll start again  
(We'll start again)  
I'll try to stay strong but baby  
Please don't take too long  
Boy don't

CHORUS  
Don't keep me waiting  
For your love  
I want you so bad  
I want you right now  
Boy don't keep me waiting  
For your love  
I'm waiting for you  
I Need you so bad

When I close my eyes  
I'm dreaming you'll be here  
When I wake  
To hold me again  
And I can pretend you're  
Back in my life  
But baby you're not  
Still I know

Someday I know you'll come back  
I hope you'll stay right  
Here in my arms  
And we'll start again  
(We'll start again)  
I'll stay strong but baby  
Don't (don't take too long)

Baby, baby  
Boy, don't

I need you so bad  
Boy you just don't understand  
I'm not eating, I'm not sleeping  
I can't get you out of my head  
Boy I need you in my life  
Baby don't think twice  
We'll start all over again, Oh

CHORUS

I need you so bad  
Boy you just don't understand  
I'm not eating, I'm not sleeping  
I can't get you out of my head  
Boy you know, I need you bad  
And I just don't understand  
Oh baby please  
Boy don't take too long

CHORUS
