Call yourself a mack  
You better take it back  
Cause you really lack  
Hard-core love attack  
It was just to please  
When you heard me scream  
In your time of need  
Baby can't you see

### CHORUS

I was faking it babe  
When we was sexing it babe  
I was faking it baby  
When we were making it babe

Got no job, no loot  
No ambition to boot  
Have you heard the news  
No working in my bedroom

You got sex appeal  
But you're looks ain't real  
You seem to think you've got it made  
But I'm gonna rain on your parade

### CHORUS

### RAP

Think you got sex appeal  
Well, there's no whip appeal  
You can ask babyface  
I won't wait seven days  
Got no money or time  
For some poor bump n' grind  
While you were faking the mack  
I was faking it  
Faking it  
Yeah

### CHORUS
