When feeling low it's easy to think
There must be a better place to go
My mama told me look inside myself
Instead of blaming something else
But nobody ever listens to
Words that don't reflect
Their state of mind
When they see on their TV screens
Those sexy girls
And damn, the men look fine
(So fine)

CHORUS

Just been around the world my baby
(New York got it goin' on)
Just been around the world my baby
(L.A. you are the bomb)
Just been around the world my baby
(Jamaica got it goin' on)
Just been around the world
But there's no place like home

Got off the plane and straight away
I realised that things weren't what
They seemed
From state to state and place to place
Nobody matches the images I'd seen
(All that I'd seen)
But nobody ever mentions that
What you see upon the screen ain't right
And if I have ever learned a thing
I'll
