Shoop shoo doop shay day shoop shoo doop  
Uh shoop shoo doop shay day shoop shoo doop

Folks say I'm tripping and I'm losing my mind  
Walking in circles and I'm talking in rhymes  
I can't help it 'cause it happens each time when you're  
near  
Whispering words that melt me like wax  
You knock out smile that takes me to the max  
A one way ticket and I ain't coming back from paradise

'Cause your sweetness is my weakness  
And your loving takes me higher  
Your sweetness is my weakness my desire  
Shoop shoo doop shay day shoop shoo doop  
Boy your love is divine  
Uh shoop shoo doop shay day shoop shoo doop  
You treat me so fine

Rare as collectibles one of a kind  
What did I do to deserve this find  
All of my dreams are wrapped up  
And designed in your kiss  
Yeah

You're my king I'm your African queen  
Straight from out of a classic love scene  
Having your touch is truly what it means to be loved  
Yeah boy

'Cause your sweetness is my weakness  
And your loving takes me higher  
Your sweetness is my weakness na-na-na-na  
Come on mmm mmm  
C'mon baby

You got me saying uh shoop shoo doop  
Shooby doo baby  
Shay day shoop shoo doop  
Mmm mmm yeah  
Uh shoop shoo doop shooby doo shay day shooby doo

Shoop shoo doop ooh ooh ooh ooh ooh ooh  
Uh shoop shoo doop baby  
Shay day shoop shoo doop my sweet baby

Because your sweetness is my weakness  
And your loving takes me higher  
Sweetness ooh wow wow  
Is my weakness  
My sweetness my desire

Your sweetness is my my my weakness  
And your loving takes me higher  
Oh sweetness is my weakness  
My desire shooby doo baby  
Uh gimme the sweetness  
Uh shooby doo baby  
Uh help me be boy  
Just keep giving it to me yeah
