I don't want to hear about it cause  
You're lying again  
I heard all about that girl you call  
Your friend  
And she told me the news about it  
You're planning to leave me  
It's a shame  
I've wasted  
My time all over again

Where were you when I needed you  
Should've been here yesterday  
Now you want to come back around  
After being with every girl in town

You're with her  
When I needed you  
Should've been here yesterday  
Cause now you're not welcome here  
No more  
You can pack all your things and go

Baby you never think about me  
Anyone but yourself  
Boy you've messed around  
And I know  
You play around  
Just killing yourself baby

It's time for you to go and  
I just can't tell you  
Which way to go  
I don't like what you do  
It's driving me crazy

I'll never know why I love you so  
I heard the news about you  
Planning to leave me  
It's a shame, I wasted my time  
All over again

Where were you when I needed you

Should've been here yesterday  
Now you want to come back around  
After being with every girl in town

Should've been here yesterday  
Cause you're not welcome here, no more  
You can pack all your things and go

Just go  
I don't want you here, no more  
No, no, no  
Pack your things and go
