Did you ever have the feeling you've lost it?
When no one's around and you're feeling all alone.
Did you ever have the feeling you wouldn't make it
through?
When everyone around is laughing at you

Did you ever have the feeling you've lost it?
When you feel so ashamed, sick and Tired of playing
games
Did you ever have the feeling you wouldn't make it
through?
This game is a joke and it's coming back to you

You'll never have another chance to say
What's in the back of your mind

Are you bored?
It's all I wanna know right now!

Did you ever have the feeling you've lost it?
When you feel so ashamed , you feel so ashamed
You'll never have the chance to tell them
And all I wanna know is
