Forget me not
Was written at the bottom of
The suicide note that you left me
You wrote that you
Couldn't go on all alone
In this nightmare you've been sinking

Forever, was written down with your blood
Tracing the letters with your fingers
You wrote that I
Will always be by your side
So where was I when you were dying?

I can't control myself.
Who would have thought that you were so in love?
But now it's just too late, it's just too late
