You don't want no part of me  
You know it ,I can see that  
But it is not your fault  
It is not your fault  
The situation isn't right  
I know that you're way too up tight  
I am so confused  
I am so confused  
[Chorus]  
So leave it up to me to go way  
So leave it up to me to say it's too late  
So leave it up to me I'll show you what to do  
Leave it up to me.....TO WALK AWAY!!!  
I'm up and I'm down  
So confuse 'cause I'm searching why  
Well it was not your fault  
It was not your fault.....  
Today's the day we break away  
We've made it on our separate way  
I am so confused.....  
[Bridge]  
[1st verse]
