You want in, you want out?
Your ranking's just beginning
You ask me, don't ask me
I don't know what I'm saying
Hate tobacco, love tobacco?
It ain't your opinion
You wanted out, well your out
So would you stop complaining!!!!
You hate me, I hate you
But I hate you more than you do
What about love, what about us?
That leaves me out, there's no use
I don't think so, I don't think so
You're just a fucking noname
I can read you, you can read me
We are just two open books, yeah, you are!!!
