Partly, partly, partly  
She wears a tight skirt but it won't rip or tear  
When I went out with her she got extensions in her hair  
She got style and she got the cat moves  
You're gonna keep the beat bud because she's comin'  
after you

I ain't high, I won't lose  
I might be lookin' for attention but I'm just not gonna  
lose  
It's Friday night, and there's goin' to be another chick  
on my tip  
But it won't be you baby

Got one more trick up my sleeve  
One more thing to say to you before I leave  
Yo girl you don't mean a thing to me  
And if you thought you ever did you were high on  
things

I said, "High" no but I'm not lyin'  
Gonna lose a Goddamn thing tonight  
I said, "Friday night there's going to be  
Another chick on my tip but it won't be you baby"

Oh if you change your ways  
Oh I would lay down any time with you, with you

But I fear one more slip and this will go right  
But I'm not ready to say goodbye  
Because first I got a couple of tails  
I'm gonna kick it on down your butt hole

High, low, high on booze  
Run for attention but I just can't lose  
Friday night there's going to be  
Another chick on my tip but it won't be me

But, oh  
Oh if you change your ways  
Oh I would lay down anytime with her, with her

Got one my, my, my  
I know we had a couple of times  
But I'm ready to go  
I'm gonna kick it on down your butt hole

High, low, high on booze  
I'm gonna run for attention but I just can't lose  
Friday night there's goin' to be  
Another slip on my dick but it won't be me

But oh  
Oh, if you'll change your ways  
I would lay down anytime with her, with her
