Some folks say that smokin herb is a crime
if they catch you smokin they're bound to drop the
dime
Insufferable Informable Crazy fools
wait with their fingers crossed for you to break the
rules
and in the evenin we try to jam
we like the music loud in this here band
we let the bass and drop as loud as we can stand
somebody always gotta turn informer for the man
i wanna know, know right now
is there one of you in the crowd
are you gonna call 911
and spoil all of my fun
you cra-zy fools
Im the mooood
are you ready
Im in the mood
come on now ya(x2)
come on
and load up the bong
crank up the sound
let the informer call 911 (x2)
and when securities police force arrive
dont try to run dont try to hide
just pull out the 9 , pop in the clip
and let one slip
into these cra-zy fools
Im in the mood
are you ready
Im in the mood com on now ya(x2)
and in the evenin we try to jam
we like the music loud in this here van
oh i wanna know now
i wanna know know right now

oooohhh like these cra-zy fools
some folks say that smokin herb is a crime
and if they catch u somkin their bound to drop the dime
