

## Sublime "Don't Push"

Stolen from an Africa land  
Chased out with a knife  
With a face like Bob Marley  
And a mouth like a motor-bike

Oh well, the bars are always open  
And the time is always right  
And if God's good word goes unspoken  
The music goes all night and it goes

If I was Bob Marley  
I said could you be loved?  
And if I was Half Pint  
I'd ball Lord up above

If I was Mike Tyson I'd look for a fight  
If I was a Boomtown Rat I would be stayin' up all night  
If I was the King Ad-Rock I would get stoopid dumb  
And if rhymes were Valiums I'd be comfortably numb

If I had a shotgun  
You know what I'd do?  
I'd point that shit straight at the sky  
And shoot Heaven on down for you

Because the bars are always open  
And the time is always right  
And if God's good work goes unspoken  
The music goes all night, and it goes

I want a lover but I can't find the time  
I want a reason but can't find a rhyme  
I want to start some static but I can't afford  
To get slammed to the ground  
Like I fell off my skateboard

Now a days is clear as you please  
Strap with protection or struck  
With disease, 'cause laughter, it's free  
Anytime just call me 439-0116  
When your down with Sublime, you get

Stolen from an Africa land  
I'll chase that other bar  
I saw my best friend tonight  
So, don't push me too far

I'm gonna run  
Come down with the new lyrics, get hit, get hip  
Don't slip you knuckle heads  
Racism is scism on a serischisous tip  
You don't believe me then I believe go on bust your lip

'Cause higher the mountain, it hard to climb  
Rougher the rhythm man, it must be Sublime  
Listen yellow lover yet it right on time  
We got cricket with the quickness and the bass line

People wanna come up and they wan' tell me  
Smokin' crack cocaine better than Sensi  
Your're puffin' that shit yo we're sick of it  
Tweakin' every weekend and we just can't take it  
Whoa-oh, we no wan' plastic
