(laughter)
Yeah...

Baby I really want to know
I think you should stop your cryin'
Use my 'kerchief to dry your eyes
You know I love you

Ruby, here I am
A rub upon my belly like some Guava Jelly
Damsel, here I am
A rub upon my belly like some Guava Jelly

This Train, is Bound For Glory
This Train
Hear me talkin' about
This Train, is Bound For Glory
This Train
This Train, is Bound For Glory

This Train, will carry no unholy stone
That the builder refused
Shall always be the head cornerstone
Stone that the builder refused
Shall always be the head cornerstone

You're a builder baby
Here I am a stone
Don't mean to confuse it girl
'Cause the things you should use
Are the things we should choose
And you hear me
Hear what I say

This Train, Bound For Glory
This Train
This Train, is Bound For Glory
This Train
This Train, is Bound For Glory
This Train, carry no unholy

'Cause I
I just can't be scared...
