So many people runnin  
Don't know where they're goin.  
Panic and panic and panic  
Showing what (side is wrong)

We've got the reason  
if you want to know it.

Don't you wish your world was mine?

My only motive  
Do or nothing  
We've got the reason  
if you really wanna show it  
I (doubt) that everybody knows  
I'm really fucking \*\*\*

Don't you wish your world was mine?  
Don't you wish your....

You open doors and close them

quicker than the eyes of most.  
On the real, let's show them. (it's chosen)  
It's time for reaction

I realize what's wrong..wrong with your life  
quicker than the eyes of most.  
On the real, it's go time.

Yet you say, you don't want to know, don't want to know  
the truth.

How can you say, you don't want to know, don't want to  
know the truth.

How can you say, you don't want to know, don't want to  
know the truth.

How can you say, you don't want to know, don't want to  
know the truth.

But that's ok  
That's ok  
That's ok

Stop right there.....
