Headin out for Austin now we're half way out the road
buddy bye, buddy bye, buddy buy, buddy buy
steady starin out the window

feels good, it feels nice, it feels like you need it
back out on the road's where we like to be seated

half-pint style we got the euroy style
half-pint style we got the euroy style
put that shit together wanna create a style
put that shit together wanna create a style

back out on the highway, i wont feel afraid
little piece of paper sayin how we wont get paid
back out on the highway, pheonix looks the same
dont ask me, i got noone to blame

i cant make you understand
im rising up in a hip-hop dance

thats all you need

Headin out for Austin now we're half way out the road
buddy bye, buddy bye, buddy buy, buddy buy
steady starin out the window

feels good, it feels nice, it feels like you need it
back out on the road's where we like to be seated

lights upon me and the stars up above
cuz on the interstate its all about love love love
if i ever realize thats how it has to be
all the dj dallas wanna give me the money

back out on the highway, i wont feel afraid
little yellow headlights look like snails smashed in the
rain
back out on the highway, pheonix looks the same
dont ask me, i got noone to blame

i cant make you understand

im rising up in a hip-hop dance

thats all you need
