I smoke two joints in the morning  
I smoke two joint at night  
I smoke two joint in the afternoon  
It makes me feel alright

I smoke two joints in time of peace  
And two in time of war  
I smoke two joints before I smoke two joints  
And then I smoke two more

Daddy he once told me  
Son, you be hard working man  
And momma she once told me  
Son, you do the best you can  
Then one day I meet a man  
He came to me and said  
Hard work good and hard work fine  
But first take care of head
