Feel like I'm stoned, I feel like watching Star Trek  
And eating Chinese food or something, alright

Everyday I love her just a little bit more  
A little bit more, a little bit more  
Everyday I love her just a little bit more  
And she loves me the same

Everyday I love her just a little bit more  
A little bit more, little bit more  
Everyday I love her just a little bit more  
And she loves me the same

So baby if you wanna get low, baby if you wanna get  
high  
It makes no sense at all, I saw red  
I saw red, I saw red, one more secret lover  
That I shot dead

Everyday I wake up just a little bit more  
Feeling like a dog out on the yard that's just how we are  
Everyday I wonder if it's over  
When I wake up realizing that we hate and I break down  
the wall

You say it's black, I don't believe you  
I say it's white, you say I'm trying to deceive you  
I'm aware of the high and the low  
I'd be waiting for you in the middle but I just lack  
control

Baby if you wanna get low, baby if you wanna get high  
It makes no sense at all, I saw red  
I saw red, I saw red, one more sacred lover  
That I shot dead

Girls, don't go crazy, oh, girls, don't go crazy  
Oh girls, don't go crazy when the men use you, no  
Oh, woman hold your man tight  
If it makes you feel right, it's your own life
