Early man walked away as modern man took control  
their minds weren't all the same to conquer was their  
goal  
So he built his great empire  
and he slaughtered his own kind  
He died a confused man killed himself with his own  
mind

Early man walked away as modern man took control  
their minds weren't all the same and to conquer was  
their goal  
So he built his great empire  
and he slaughtered his own kind  
He died a confused man and he killed himself with his  
own mind...LET'S GO!!

we're only gonna die from our own arrogance  
that's why we might as well take our time
