It's recording?

...Clock says half past one  
I have no sunglasses  
As I step into the sun  
I know I did something  
Lord what could it be  
Woke up in the morning  
And all my friends hate me

She got the Eye of Fatima  
In the wall of his room  
Three bottles of Tequila  
Three cats and a broom  
He got a 15-year-old angel  
And she's all dressed in black  
He got 15 bindles of cocaine  
Tied up in a sack

This here's a government experiment  
And we're drivin' like hell  
We'll get some cowboys on acid  
And stay in motels  
We gonna eat up some wide open spaces  
Like it was the top of the Nile  
The hands on the clock are gonna be here  
A while

An eye of Eye of Fatima  
In the wall of the hotel room  
And cowboys on acid  
Are like Egyptian cartoons  
No one ever conquered Wyoming  
From the left or from the right  
Just stay in the hotel room  
Stay up all night
