Early in the mornin', risin' to the street
Light me up that cigarette and I'll strap shoes on my feet

Got to find the reason, reason things went wrong
Got to find the reason why my money's all gone
I got a dalmatian, I can still get high
I can play the guitar like a mother fuckin' riot

Well, life is too short so love the one you got
'Cuz you might get run over or ya might get shot
Never start no static I just get it off my chest
Never had to battle with my bulletproof vest

Take a small example take a tip from me
Take all of your money and give it to charity
Loves what I got it's with in my reach
And the Sublime style still straight from Long Beach

It all comes back to you your bound to get what you deserve
Try and test that, your bound to get served
Love's what I got don't start a riot
You feel it when the dance gets hot

Lovin' is what I got I said remember that
Lovin' is what I got and remember that
Lovin' is what I got I said remember that
Lovin' is what I got I got I got I got

Why I don't cry when my dog runs away
I don't get angry at the bills I have to pay
I don't get angry when my mom smokes pot
Hits the bottle and goes right to the rock

Fuck it fight it it's all the same
Livin' with Louie dogs' the only way to stay sane
Let the lovin', let the lovin' come back to me

Lovin' is what I got I said remember that
Lovin' is what I got and remember that
Lovin' is what I got I said remember that

Lovin' is what I got I got I got I got

Turn off that broth, so that's see
